The image shows a Facebook profile for 'Pasifika Dementia'. The main cover photo features a group of seven people (four adults and three children) standing outdoors in a grassy area. Most of them are wearing grey t-shirts with the word 'DEMENTIA' printed on them. The profile picture is a circular inset showing a smaller group of people, also wearing 'DEMENTIA' t-shirts. The page statistics show 14K followers, 47 following, and 360 posts. The bio describes the page as a community for sharing personal experiences about having a mum with dementia.
